

## Reflective Dialogue

Take a moment to reflect on these questions alone first. Note down your thoughts on the grid and be prepared to share with the Rapporteur and your colleagues in a brief discussion.

	1. What can I do to further embed this element in my own practice?	2. What can be done to further embed this element at a programme level?	3. What can be done to further embed this element at a university level?
<b>A. Practice-based Education</b>			
<b>B. Employer Engagement</b>			
<b>C. Supportive Relationships</b>			

#WeAreTUDublin

An elevator pitch can distil complex ideas into a clear, compelling message that sparks interest and invites further conversation. Take a moment to make some notes on the draft pitch below and then discuss with your group.

### **Draft Elevator Pitch**

TU Dublin is Ireland's leading practice-based, employer-engaged university, providing an authentic and engaging learning experience, underpinned by supportive staff-student and student-student relationships, for career-focussed students who graduate with attributes that prepare them for fulfilling lives and careers.
