

## **RE-CHECK APPLICATION FORM**

Please note: This form is for use by TU Dublin City Campus Students only

## Notes

The current General Assessment Regulations, among other things, make provision for an examination result re-check procedure. These and other Regulations are available to all candidates and those considering appealing a decision of a Progression & Award Board are advised to review the relevant Regulations (see <a href="https://www.tudublin.ie/explore/about-the-university/academic-affairs/quality-framework/city-centre-quality-assurance/student-assessment-regulations/general-assessment-regulations/">https://www.tudublin.ie/explore/about-the-university/academic-affairs/quality-framework/city-centre-quality-assurance/student-assessment-regulations/general-assessment-regulations/</a>). Candidates who wish to discuss their examination performance in any assessment [see section 14.1 of Regulations] should contact the School/Department. Each semester Examination Offices publish a calendar of dates for the publication of results and Schools publish dates for the viewing of examination scripts. Viewing of examination scripts and provision of feedback shall normally be scheduled within four days of the publication of results. The Head of School or nominee shall produce the assessed work and demonstrate to the candidate the basis on which the marks were awarded.

A candidate may submit an application for a re-check by returning this form together with the fee to the Examinations Office (see <a href="https://www.tudublin.ie/for-students/student-services-and-support/examinations/contact-us/">https://www.tudublin.ie/for-students/student-services-and-support/examinations/contact-us/</a>) within three working days of the date scheduled for the viewing of the examination script. The re-check fee is €15 per subject. In the event that a re-check application is successful the fee will be refunded. Please complete this form in LEGIBLY in BLOCK LETTERS or in TYPESCRIPT.
