

	TU Code	Mode	Programme Name	Year	Mode	Onsite Days	Online Days	Comment
Bachelor of Science (Hons) Information Systems and Information Technology	DT249	PT	Bachelor of Science (Hons) Information Systems and Information Technology	Year 1	Weekly	Monday (optional face-face support lab)	Mon-Thurs	All lectures delivered remotely. Monday Labs are optional as also available online
				Year 2	Weekly	Monday (optional face-face support lab)	Mon-Thurs	All lectures delivered remotely. Monday Labs are optional as also available online
				Year 3	Weekly	Monday (optional face-face support lab)	Mon-Fri	All lectures delivered remotely. Monday Labs are optional as also available online, Friday only for students doing project work
				Year 4	Weekly	None	Mon-Fri	All lectures delivered remotely. Monday Labs are optional as also available online, Friday only for students doing project work
	DT255	FT	Bachelor of Science (Hons) Information Technology and Information Systems	Year 3	Weekly	Monday (optional face-face support lab)	Mon-Fri	All lectures delivered remotely. Monday Labs are optional as also available online, Friday only for students doing project work
				Year 4	Weekly	None	Mon-Fri	All lectures delivered remotely. Monday Labs are optional as also available online, Friday only for students doing project work
Computer Science	TU856	FT	Bachelor of Science (Hons) Computer Science	Year 1	Weekly	Tuesday	Monday, Tuesday (alternating weeks), Wednesday, Thursday, Friday	All lectures online, students will be onsite on alternating Tuesdays for labs. Tuesday labs will also be available online for students who cannot attend.
				Year 2	Weekly	Friday	Monday, Tuesday, Wednesday, Thursday, Friday (alternating weeks)	All lectures online, students will be onsite on alternating Fridays for labs. Friday labs will also be available online for students who cannot attend.
				Year 3	Weekly	None	Monday-Friday	All lectures and labs online
				Year 4	Weekly	None	Monday-Friday	All lectures and labs online
Computer Science (Infrastructure)	TU857	FT	Bachelor of Science (Hons) Computer Science (Infrastructure)	Year 1	Weekly	Monday	Tuesday, Wednesday, Thursday, Friday	All lectures online, students will be onsite each Monday for labs. Monday labs will also be available online for students who cannot attend.
				Year 2	Weekly	Thursday	Monday, Tuesday, Wednesday, Friday	All lectures online, students will be onsite each Thursday for labs. Thursday labs will also be available online for students who cannot attend.
				Year 3	Weekly	None	Monday-Friday	All lectures and labs online
				Year 4	Weekly	None	Monday-Friday	All lectures and labs online
Computer Science (International)	TU858	FT	Bachelor of Science (Hons) Computer Science (International)	Year 1	Weekly	Tuesday	Monday, Tuesday (alternating weeks), Wednesday, Thursday, Friday	All lectures online, students will be onsite on alternating Tuesdays for labs. Tuesday labs will also be available online for students who cannot attend.
				Year 2	Weekly	Friday	Monday, Tuesday, Wednesday, Thursday, Friday (alternating weeks)	All lectures online, students will be onsite in on alternating Fridays for labs. Friday labs will also be available online for students who cannot attend.
				Year 3	Weekly	None	Monday-Friday	All lectures and labs online
				Year 4	Weekly	None	Monday-Friday	All lectures and labs online
MSc in Computer Science	TU059	FT	MSc in Computer Science	Year 1	Weekly	Wednesday	Mon, Tues, Thurs, Fri	All lectures online, students will be onsite on Wednesday each week for labs. Weds labs will also be available online for students who cannot attend.
				Year 2	Weekly	None	Monday-Friday	All lectures and labs online
	TU060	PT	MSc in Computer Science	Year 1	Weekly	None	Monday-Friday	All lectures and labs online
				Year 2	Weekly	None	Monday-Friday	All lectures and labs online
PgCert in Data Science	TU256	PT	PgCert in Data Science	Year 1	Weekly	None	Monday-Friday	All lectures and labs online
PgCert in Fundamentals of Data Science	TU057	PT	PgCert in Fundamentals of Data Science	Year 1	Weekly	None	Monday-Friday	All lectures and labs online
Masters Qualifier	TU262	PT	CPD Certificate in Fundamentals of Computing	Year 1	Weekly	None	Monday-Friday	All lectures and labs online
