

Guide to Off-Campus Access to Online Library Resources

You can access online Library resources such as databases, ebooks, online dissertations and theses, and exam papers while off-campus. See the information below on the two main types of authentication in operation.

Authentication methods:

You can access the majority of online Library Databases and resources using your Student/Staff email address and password:

A screenshot of the TU Dublin Sign in page. The page features the TU Dublin logo at the top left. Below the logo, the text "Sign in" is displayed. Underneath, there is a text input field labeled "Email address, phone number or Skype". Below the input field, there is a link that says "Can't access your account?". At the bottom right of the sign-in area, there is a blue button labeled "Next". At the bottom of the page, there is a white box with a magnifying glass icon and the text "Sign-in options". The background is dark blue with the TU Dublin logo and the text "Possibilities" and "nite" visible.

Some resources may still display the screen below. Login using your Student/Staff Number and email password:

A screenshot of the TU Dublin City Campus Sign On page. The page features the TU Dublin logo at the top right. Below the logo, the text "TU Dublin City Campus Sign On" is displayed. Underneath, there is a text input field labeled "Staff or Student Number". Below the input field, there is a text input field labeled "Password". At the bottom of the sign-on area, there is a blue button labeled "LOGIN". Below the button, there is a link that says "Change your password". At the bottom of the page, there is a footer that says "ICT Services Support - Library Services - City Campus Website". The background is dark blue with the TU Dublin logo and the text "Possibilities" and "nite" visible.

A small number of Library databases, some ebooks, and dissertations and these authenticate through your Library account. When you see the screen below you need to enter your Student/Staff Number and MyLibrary PIN:

The screenshot shows the TU Dublin Library Catalogue login page. At the top, there are links for 'Gaeilge', 'New Search', 'Print', and 'Login'. The TU Dublin logo is on the left, and 'Library Catalogue' is on the right. Below the logo, there is a notice: 'All City Centre locations are operating at reduced opening hours until further notice. Please check the opening hours on the library website.' There are also links for 'My Library', 'Help Topics', 'eResources', and 'Home'. A search bar with '(More Searches)' and a magnifying glass icon is on the right. The main heading is 'Login or create a new library PIN'. Underneath, it says 'New PIN' and provides instructions: 'Enter your Student No. or Staff No. and leave the PIN blank. Click "submit" Prompt appears - Enter a PIN. Library PIN uses only numbers, and is at least 4 numbers long. Click "submit". "My Library" account opens automatically.' There is a form with two input fields. The first field is labeled 'ID No., Staff No. or Library No.' and contains the text '450427'. To the right of this field is the text 'For example, type C12312312'. The second field is labeled 'Enter your PIN:' and contains four dots. To the right of this field is the text 'Please enter your PERSONAL IDENTIFICATION NUMBER and "Submit"'. Below the form, there is a link 'Forget Your PIN?' and a 'Submit' button.

You must have a current Student card for your library account to be active.

Staff should contact their home library directly to have their library account set up.

Institutional Access:

We have also set up institutional access to library databases (where possible). If you go to the database website and select sign in, you can sign in via your institution.

If the TU Dublin log in is not immediately listed when you look for your institution, look for the Irish Edugate Federation first, and then you will see TU Dublin after that.
