

Separate instructions for each of the three Sheil handouts from Dr John Moulden!

Handout 1: Shailes's Ramble:

Print two-sided A4 and fold into an A5 4-page booklet!

Handout 2: Sheil Life Works Part One (*Life and Love Songs*)

Print the PDF of Part One as one double-sided A4 sheet, and make sure the orientation is as in the PDF

Hold the sheet in landscape and fold in half vertically, keeping the title page to the outside

Carefully slit the folded edge

Hold the resultant pair of A5 sheets horizontally, again keeping the title page to the outside

Carefully slit the folded (top) edges, but not quite to the centre, leaving some uncut to hold the pages

Fold these pages vertically to make a booklet of 16 pages, with the title page on the front

Check the sequence of pages!
